Professor Subiresh Bhattacharyya,

Vice-Chancellor,

University of North Bengal.

Sir,

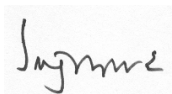

You are aware that about 21 Contractual & Part-Time Teachers of the University B.T.& Evening College, Coochbehar, engaged as faculty for a pretty long period, are yet to receive any communication regarding their appointment as State Aided College Teachers (SACT) in terms of the Govt. Order in this respect while their counterparts elsewhere have received Appointment Letters in such Posts. They are now agitating in the College premises. Out of 21 teachers, 12 persons possess the UGC qualification and the rest are non-UGC . However, the G.O. provides for differential pay for both the categories as SACT.

This appears to be a result of this College being a 'University College' outside the purview of D.P.I., Govt. of West Bengal under grant-in-aid system but under the direct supervision of NBU. I am personally conversant with this bottleneck, having served NBU as its Registrar for 20 yrs.. It invariably happens whenever a G.O. is issued covering the mainstream of grant-in-aid affiliated Colleges in West Bengal whereupon this College gets excluded from the purview being in the category of University College in as much as the office of D.P.I. is not mandated to sanction fund for this particular College.

Most of the affected persons are ex-students / alumni of NBU. Therefore, on behalf of NBUA, I request you to kindly sort out the intricacy at the earliest and issue the order from your end so that the concerned Teachers can be issued the appointment letters by the competent official in terms of the extant Circular/ G.O.

We solicit your kind co-operation.

With my best regards,

Dr.T.K.Chatterjee

Secretary
