

Present edited volume intends to highlight those individuals whose contributions in mapping regional history are immense. Although innumerable research based books, monographs being published pertaining the history of North Bengal, but there still remains larger domains to be explored. So in this context articles compiled in the present edited volume prefers to chose those personalities whose despite having contributions in the study of regional history of North Bengal, still remains in a state of comparative oblivion. An incisive discussions about Joseph Dalton Hooker's journey in North Bengal and Sharat Kumar Roy, Charu Chandra Sanyal's endeavors in unearthing the different layers of the past, Ranajit Das Gupta's contributions in mapping the labour movements- all these research based articles are primary features of present edited volume.

Shesadri Prosad Bose at present is the head of the department of history, Parimal Mitra Smriti Mahavidyalaya, Malbazar, Jalpaiguri District, West Bengal. He obtained M.Phil. (1994) and Ph.D. degree (2006) in History from University of North Bengal. He has completed the Minor Research project funded by U.G.C. He authored

Colonial India, Predatory State: Emergence of New Social Structure in Jalpaiguri District (1865-1947), Readers Service, Kolkata and edited *Regional Histories and Their Possibilities* (Ashadeep 2011). He has contributed a number of articles which had been published in many reputed journals and edited volumes.
